New UX 300e | The First All-Electric Lexus

01 Dynamic SUV profile with 18" alloy wheels
02 Make a real contribution to your city's low-carbon future
03 Lexus pioneered and leads the electrification of luxury cars
04 The aerodynamic rear light improves handling and reduces noise

LEXUS ELECTRIFIED

MEET THE AMAZING NEW UX 300e. THE FIRST ALL-ELECTRIC LEXUS

Created to evoke the original fun of driving in the city, the all-electric Lexus UX 300e is the latest addition to our range of hybrid SUVs. As you press 'power' and grip the steering wheel, the unique character of the first fully electric Lexus becomes apparent. Take to the streets and you'll quickly delight in the UX 300e's swift linear acceleration and confident cornering. Notice how every element of the driving experience has been electrified – from the smoothness of the drivetrain, to the sophisticated cabin sound composed by Active Sound Control, right through to the powerful yet efficient air conditioning.

Sharing the striking urban looks which characterise all UX models, under the bonnet the UX 300e is powered by an advanced electric motor delivering 150 kW (204 DIN hp) and 300 Nm of instantaneous torque. Allowing you to travel 196 miles* between charges, the car's lithium-ion battery benefits directly from our unrivalled experience of building over 1.6 million electrified Self-Charging Hybrids since 2004. In fact, for Lexus, all-electric vehicles represent more of a natural evolution than a disruptive revolution. And thanks to our leadership in hybrids, key technologies like the power control unit, battery management system and electric motors/generators are already in their fourth generation, having been tried and tested over many millions of miles.

* Indicative figure in WLTP mode (pending homologation).

COVERS YOUR WEEKLY COMMUTE

On average, drivers in the UK will drive 27 miles a day. With the New UX 300e's range of up to 196 miles* you can drive assured that your UX 300e will get you through your working week.

What's more, with over 25,000 car charging points across the UK, you won't have to worry about where you can charge your new electric car. With the help of the Lexus Link app, finding your nearest charging point is easy.

It is also simple to charge your new car at home. You choose when to charge your UX 300e and can set the time of charging via the Lexus Link app. You may also be eligible for a government grant to help cover the installation.

Please visit https://www.gov.uk/government/collections/government-grants-for-low-emission-vehicles for more information.

Charge points every 20 miles by end of 2020

£15 million committed by Highways England to deliver optimum coverage across the country.

[Source: House of Commons Briefing paper. Number 7480, 25 March 2020.]

* Range is still to be confirmed following official testing.

LEXUS LINK

Lexus Link offers a range of convenient services that will enhance your New UX 300e experience. From your phone, you will be able to continuously check the battery level and remaining range. Start or stop the battery charge and set-up a timer based on the lowest electricity rate, for example overnight at home. You will be able to plan your journey based on charging infrastructures and the most efficient routes, and even pay for a charge on the way using your phone. All designed to make owning an Electric car as simple as possible.

Lexus Link will also allow, from the phone, to set the cabin temperature and heat or cool the seats well in advance of any trips. Not only is it convenient to never have to sit on a cold seat, it is also more efficient and will help to optimise the real driving range.

Download on the App Store

GET IT ON Google Play

Key Features

Remote functions:

- Remotely heat or ventilate the front seats *
- Remotely heat rear seats *
- Remotely defrost front and rear windows
- Remotely heat or cool the cabin

Battery management functions:

- Check battery status and remaining range
- Remaining charge time
- Notification when battery is low or if you forget to start the charge
- Schedule the time to start / stop charging

Plan your journey:

- Find nearest and available charge points
- Send the charge points to the car's navigation or to Google (Apple CarPlay® / Android Auto®)
- Plan your journey based on charge points

*Only available with Premium Plus Pack and Takumi grade.

CRAFTING THE FUTURE

A hallmark of all Lexus cars, the New UX 300e uses innovative technology to make your life that bit more enjoyable. Take, for example, the 13-speaker Mark Levinson® audio system that creates a stunning concert-like soundtrack, the Touch Pad-controlled 10.3" Lexus Premium Navigation and the Lexus Link connected services app. Intuitive to use, Lexus Link offers exclusive and practical electric car features like remote charging, remote air conditioning and a charging station finder. Most important for urban driving, the new UX 300e is equipped with our advanced Lexus Safety System +.

To ensure world-class quality, the UX 300e is built alongside Lexus Self-Charging Hybrid models at our award-winning Kyushu plant, with production overseen by Takumi master craftspeople. Here, attention to detail is everywhere, from the beautiful hand-sanded paintwork to the cleanroom assembly of electric components. At the Lexus plant, our elite team stitches the leather seats with a design inspired by 'sashiko', a traditional Japanese quilting technique which brings both strength and a distinctive style to the upholstery. Finally, before it is shipped to you, the UX 300e is checked and then rechecked for perfection in a dedicated 'Quiet Room' facility. This is, after all, a Lexus.

NEW UX 300e

Begin tailoring the UX 300e to your requirements by exploring standard specifications.

Equipment Highlights

- 17" Alloy Machine Finish Wheels with Tyre Repair Kit
- Lexus Safety System +
- Bi-LED Headlights with Auto High Beam (AHB)
- Reversing Camera with Back Guidelines
- Intelligent Front and Rear Parking Sensors
- Premium Fabric Upholstery
- Japanese 'Washi' Paper Inspired Instrument Panel
- 8-Way Electrically Adjustable Front Seats
- 2-Way Power Lumbar Support
- Power Adjustable Steering Wheel
- 7" Lexus Navigation with Remote Touch Interface
- 6-Speaker Audio System with CD, USB, and AUX Input and Bluetooth Connectivity
- Lexus Link Connected Services
- Apple Carplay® and Android Auto®
- AC and DC Charge Cables

UX300e with PREMIUM PLUS PACK

Add a little bit of luxury to make driving your UX 300e even more of a pleasure.

Equipment Highlights (in addition to UX 300e):

- Keyless Entry
- Card Key
- Illuminated Door Handles with Puddle Light
- Smooth Leather Upholstery
- Heated and Ventilated Front Seats
- Heated Rear Seats
- Heated Steering Wheel
- Wireless Smartphone Charger
- Privacy Glass

OPTIONS

- 18" Alloy Wheels with Tire Repair Kit

Images used are for indicative purposes only. Wheel styling will be different to model displayed.

UX300e with TAKUMI PACK

The ultimate UX 300e for refinement and comfort

Equipment Highlights (in addtion to UX300e Premium Plus Pack):

- 3-Eye LED Headlights with Adaptive High Beam System
- Blind Spot Monitor
- Rear Cross Traffic Alert with Auto Brake
- Hands-free Power Back Door
- 360° Panoramic View Monitor
- Head-Up Display
- 10.3" Lexus Navigation
- 13-Speaker Mark Levinson® Premium Surround Sound System
- Auto-dimming Interior Rear View Mirror
- Sunroof
- Aluminium Scuff Plates

Luggage volume – rear seats upright, loaded to luggage cover (l)	367
Luggage volume – rear seats upright, loaded to the roof (l)	486

†The figure above is a target figure. Figures are provided for comparability purposes; only compare fuel consumption and CO_2 figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. This vehicle will be certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). CO_2 figures (and hence car tax and recommended 'on the road' prices) may differ from information printed before 1 April 2020, due to a change in the official method of calculation. This date may change, please visit wwwvehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information.
For details of your preferred model and grade derivative, please contact your local Lexus Centre. Choice of options and accessories fitted (pre-registration) may affect the official CO_2 figures, car tax and 'on the road' price.

[1] All figures are tentative, subject to change without notice.
[2] Target figure in WLTP mode (pending homologation)
[3] Width is specified without outer mirrors. Height is measured on unladen vehicles.
[4] Luggage volumes shown are in-house measured values. All figures quoted include the maximum under floor storage area in the luggage compartment. The available underfloor storage area may differ in certain countries.

Please note: the information presented is based on manufacturer's preliminary data, which is subject to change without notice. Please consult your local Lexus Authorised Retailer and/or www.lexus.eu for updates.

HAVE YOU CONSIDERED A SELF-CHARGING HYBRID?

52%
TRAVEL TIME IN ELECTRIC MODE*

LEXUS
EXPERIENCE AMAZING

*Average percent of 7,805 UX 250h test drives taken up to 13th March 2020. Figure accurate as of 13th March 2020. Our hybrid demonstrator vehicles are fitted with a telematics device, which with your permission will track your test drive journey to gather key statistics and show you how efficient your drive is. Hybrid test drive data is retained for a maximum of one year and is for statistical and research purposes only. Only Lexus GB and DriveCo (the service provider) will have access to this information.

4495mm

UX: 250h

Combining the agility of a hatchback and strength of an SUV, the UX is powered by fourth-generation Lexus Self-Charging Hybrid technology. Capable of travelling up to 71mph in electric mode, it has exceptional fuel economy and low CO_2 emissions.

UX	
2-litre Self-Charging Hybrid 5 seats Front Wheel Drive (FWD) or E-FOUR All Wheel Drive Automatic transmission Luggage capacity: 320 litres (FWD); 283 (E-FOUR)	Power: 184 DIN-hp MPG (l/100km) range: 47.0 (6.0) - 53.2 (5.3) CO_2 range: 137 - 120g/km

4640mm

NX: HYBRID LUXURY MID-SIZED SUV

The NX is a pioneering mid-sized SUV that can be configured to match your lifestyle. Lexus Self-Charging Hybrid technology offers refined performance and low emissions. Packed with intuitive technology, the NX enhances your driving experience with beautifully finished interior, premium acoustics and Lexus Safety System+ as standard.

NX	
2.5-litre Self-Charging Hybrid 5 seats E-FOUR All Wheel Drive Automatic transmission Luggage capacity: 475 litres	Power: 197 DIN-hp MPG (l/100km) range: 36.6 (7.7) - 39.7 (7.1) CO_2 range: 175 - 161g/km

4890mm

RX: HYBRID LUXURY SUV

A bold, emphatic exterior gives way to a world of unparalleled comfort, space and luxury. Equipped with our Self-Charging Hybrid technology, the RX delivers a seamless performance and exhilarating drive. Throughout you will discover useful features like Apple CarPlay®, Lane Tracing Assist, while the Lexus Safety System+ makes the RX one of the safest SUV's out there.

RX	
3.5 litre Self-Charging Hybrid 5 seats E-FOUR All Wheel Drive Automatic transmission Luggage capacity: 539 litres	Power: 313 DIN-hp MPG (l/100km) range: 35.7 (7.9) - 36.2 (7.8) CO_2 range: 180 - 178g/km

5000mm

RX L: LARGE HYBRID LUXURY SUV

A family SUV that puts the focus firmly on luxury, the RX L is elegant, spacious and engineered to make sure every passenger is pampered and protected. This versatile addition to our luxury SUV range features occasional 7 seats across three rows and enhanced cargo capability while still retaining the stylish figure and Self-Charging Hybrid that characterises the RX SUV. The interior features a precision designed cabin and technologies such as Tri Zone Climate Control.

RX L	
3.5 litre Self-Charging Hybrid 7 seats E-FOUR All Wheel Drive Automatic transmission Luggage capacity: 591 litres with third row folded, 176 litres with third row up	Power: 313 DIN-hp MPG (l/100km) range: 34.4 (8.2) - 34.4 (8.2) CO_2 range: 186 - 185g/km

April 2020

Lexus created vehicles born from imaginative design, pioneering technology and craftsmanship. Only behind the wheel of one of our models can you truly experience amazing. Simply consult your local Lexus Centre to arrange a test drive at your convenience. To find out more about Lexus vehicles or to locate your local Lexus Centre, please visit our website www.lexus.co.uk or call 0845 278 8888 (calls cost 2p per minute plus your phone company's access charge.)

Accuracy and specification
All information contained in this brochure was correct at the time of going to print. Please note that while every effort is made to reproduce accurate information, we reserve the right to change specification, equipment and availability without prior notice. Images shown in this brochure may not be of UK models (for example, they may show left-hand drive vehicles) and may illustrate equipment that is only available on selected grades. Therefore, this brochure cannot be regarded as infallible and, as such, does not constitute an offer for sale of any particular vehicle shown.

Fuel consumption and emissions data
* The figures included are a target figure. Figures are provided for comparability purposes; only compare fuel consumption and CO_2 figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO_2 produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades will be certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO_2 figures quoted are full WLTP figures.

The official CO_2 figures for vehicles have changed, due to a change in the official method of calculation. CO_2 figures are used in the calculation of Vehicle Excise Duty (car tax) for new cars during their first year of registration. As a result, all CO_2 figures, car tax and 'on the road' prices for new vehicles, which were provided or displayed prior to 1 April 2020, may now have changed for vehicles which were not registered before that date. These dates may change, please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information.

Choice of options and accessories fitted (pre-registration) may affect the official CO_2 figures, car tax and 'on the road' price.

For details of your preferred model and grade derivative, please contact your local Lexus Centre.

Safe driving
Lexus is committed to promoting safe and responsible driving at all times. None of the images contained in this brochure should be taken to promote any unsafe driving practice. All sound, entertainment and navigation accessories that may be included in our vehicles should always be used alongside legal and attentive driving. Additionally, any driver assistance and other safety features included in our vehicles are not designed to substitute safe and careful driving.

End-of-life vehicles
Taking care of the environment is a priority for Lexus. We strive to minimise the environmental impact of our vehicles throughout their life cycle – from design, production, distribution, sales and service to end-of-life. For more detailed information on environmental performance, please visit www.lexus.co.uk/environment

About Lexus
Lexus is a division of Toyota (GB) PLC registered in England & Wales with company number 0916634 with its registered office at Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UX. Toyota (GB) PLC is an appointed representative of Toyota Insurance Management Limited and Toyota Financial Services (UK) PLC, both of which are authorised and regulated by the Financial Conduct Authority.

Printed Brochures
Lexus brochures are produced by printers that hold the environmental accreditation 'ISO 14001', and use paper that is FSC (Forest Stewardship Council) certified, which is sourced from sustainably managed forests. The inks used are vegetable oil based and the coatings are aqueous based. Once you have finished with this brochure, please pass it onto someone else to enjoy. If disposing of this brochure, please place it in a recycling bin.
